| Topic Selection:  |        | / 5   |
| Lose points if late   |        |       |
| Progress Report:  |        | / 10  |
| Lose point if late  |        |       |
| Presentation:   |        |       |
| Finish in time limit:   | / 3    |       |
| Date:   | Start: | Stop: |
| Overview:   | / 3    |       |
| Hardware Summary:   | / 3    |       |
| Input/Output:   | / 3    |       |
| Power Concerns:   | / 3    |       |
| OS/Programming Lang   | / 3    |       |
| Real Time:  | / 3    |       |
| Security Concerns:  | / 3    |       |
| Code density:   | / 3    |       |
| Challenges:   | / 3    |       |
| Future Work:  | / 3    |       |
| Presentation/Demo   | / 4    |       |
| Questions:  | / 3    |       |
|   |        | / 40  |
| Writeup:  |        |       |
| Hardware:   |        |       |
| Description   | / 3    |       |
| Input   | / 3    |       |
| Output  | / 3    |       |
| Power Concerns  | / 3    |       |
| Software:   |        |       |
| Progr. Language   | / 3    |       |
| OS  | / 3    |       |
| Real Time   | / 3    |       |
| Security  | / 3    |       |
| Conclusion:   |        |       |
| Challenges  | / 3    |       |
| Future Work   | / 3    |       |
| Source code   | / 5    |       |
| Presentation/Layout   | / 10   |       |
| (This includes things like page limits,<br>layout, spelling/grammar, etc) |        |       |
|   |        | / 45  |
| Total:  |        | / 100 |
| Presented a week early:   | +8     |       |
| Presented on Tuesday:   | +4     |       |
| Total with bonuses:   |        | / 100 |
